– four gold and three silver medals of the men's national team of Ukraine in horting at the 2016 World Championship in Truskavets (Ukraine), as well as other achievements;

– gold medal for the men's and women's national teams of Ukraine in the team event at the 2018 World Championships among men and women in Daugavpils (Latvia).

E. Yeromenko as a coach personally prepared the MSUMK, a member of the Ukrainian national team Alena Kargina - the 2016 world champion; MSUMK Viktor Chepurov - the 2016 European champion and the 2016 World Championship medalist; MSUMK Stanislav Fedorov - the 2016 European champion; MSUMK Roman Kuznetsov - the 2016 World Championship medalist; MSU Oleksandr Grechany - the 2016 World Champion, for which in 2017 he was awarded a certificate of honor from the Kyiv Regional State Administration and a certificate of honor from the branch of the National Olympic Committee of Ukraine in the Kyiv region.

In accordance with the regulations for holding national sports events approved by the Ministry of Youth and Sports of Ukraine, he actively participates in holding events, annually acts as the chief judge of official Ukrainian championships among different age groups, Ukrainian cups, and all-Ukrainian competitions, and regularly submits the chief judge's report to the ministry.

On September 8, 2017, he was awarded the Certificate of Honor of the Kyiv Regional State Administration "For significant personal contribution to the development of physical culture and sports in the Kyiv region, active civic position, high professionalism, and conscientious work."

September 12, 2017 - Eduard Yeromenko, as a multiple World karate champion, Absolute European champion, International-class Master of Sports of Ukraine, Honored coach of Ukraine, Head of the Olympic Academy of the Kyiv region, took an active part in the OLYMPIC LESSON - a nationwide event dedicated to the Day of Physical Culture and Sports of Ukraine under the leadership of the National Olympic Committee of Ukraine and personally the President of the NOC of Ukraine, Olympic champion, multiple world record holder Serhiy Bubka. Yeromenko gave open lectures and held educational conversations with schoolchildren and students on the topic of improving the body.

On November 10, 2017, at the Assembly of the branch of the National Olympic Committee of Ukraine in the Kyiv region, E. A. Yeromenko was elected chairman of the Kyiv regional branch of the Olympic Academy of Ukraine, as well as a member of the NOC of Ukraine and a member of the executive committee of the NOC of Ukraine branch in Kyiv region.

November 11, 2017, awarded the Certificate of Honor of the Ministry of Education and Science of Ukraine (2017 No. 1904) "For significant personal contribution to the development of physical education and sports among schoolchildren and students, promotion of a healthy lifestyle, promotion of horting and achievement of success in this regard."

On February 7, 2018 - took an active part in the International Scientific and Practical Conference with Master Classes "POLICE HORTING IN THE WORLD OF MODERN SECURITY TECHNOLOGIES", which was held by the Kyiv Regional Department of the Police of Ukraine and the International Federation of Police Horting in the city of Irpin, Kyiv region, Ukraine.

On March 22-23, 2018 - took an active part in the First International Scientific and Practical Conference on the Day of Horting "HORTING - NATIONAL BRAND OF UKRAINE IN THE WORLD: OLYMPIC PERSPECTIVE" at the educational, scientific and research base of the University of the State Fiscal Service of Ukraine in the city of Irpin, Kyiv region, Ukraine.

On May 12, 2018 - took an active part in the All-Ukrainian Scientific and Methodological Seminar with international participation "HORTING AS A MEANS OF COMPREHENSIVE EDUCATION OF YOUTH" at the educational, scientific and research base of the University of the State Fiscal Service of Ukraine in the city of Irpin, Kyiv region, Ukraine.

On June 2-3, 2018 - fate took part in the 3rd All-Ukrainian Scientific and Practical Conference "CHAPTERLY PRE-SCHOOL IN THE CONTEXT OF INTEGRATION TO THE EUROPEAN INVESTIGATION SPACE" at scientific base of the Cherkasy National University named after Bogdan Khmelnytsky in the city of Cherkasy, Ukraine.

On June 19, 2018 - took an active part in the All-Ukrainian scientific and practical conference "Speciality in the space of high innovations" on the scientific basis of the Institute of Education Problems of the National Academy of Pedagogical Sciences of Ukraine in the city of Kyiv.

June 27, 2018, Irpin – founded the Horting Department on the basis of the National Research Institute of Special Physical and Combat Training and Rehabilitation of the University of the State Financial Service of Ukraine (Protocol No. 7 of the meeting of the Academic Council of the University dated June 27, 2018, Order of the Rector of the University on approval and amendments to the structure of the National Research Institute of Special Physical and Combat Training and Rehabilitation and the introduction of the Horting Department dated November 2, 2018 No. 1555).

On November 8-9, 2018 - took an active part in the II International Scientific and Practical Conference "INNOVATIVE APPROACHES TO EDUCATING STUDENTS OF COSSACK CLASSES AND HORTINGISTS IN EDUCATIONAL INSTITUTIONS" at the research base of the A. S. Makarenko Sumy State Pedagogical University in the city of Sumy, Ukraine.

On November 12, 2018, Eduard Yeromenko successfully passed the **English language proficiency Test at level B2**. Received Certificate of English Language Proficiency Level B2 No. 2018-00911/1801, 09.11.2018, Results: A, Madison International Institute and Business School (Delaware, United States), United States of America.

December 16, 2018 Cherkasy – set a **National Record** of Ukraine, which was entered in the Book of Records of Ukraine, a Certificate of the National Register of Records of Ukraine was issued with the entry: “Logo of the largest number of people, created according to the domino principle. Number – 153 participants. Organizer – Ukrainian Horting Federation. President – Eduard Yeromenko”.

2018 – E. A. Yeromenko was awarded the status-title “Choice of Ukraine 2018” as the president of the Public Organization “World Horting Federation”, was awarded a medal and a National Certificate of the All-Ukrainian Association for International Business Rating “Choice of Ukraine”, which confirms that, according to official data from the state statistics bodies of Ukraine, the organization, as a result of a study by the ICSA-50 method (Congress and Convention Association at 50) among enterprises operating in Ukraine according to indicators of financial and economic activity, was awarded the distinction and title “Choice of Ukraine 2018”.

On January 23–28, 2019, Eduard Yeromenko participated in the judging of the international competition of athletes as the Head of the judging jury, evaluating the performances of competitors from different countries of the world during the 2019 Horting World Cup in Truskavets, Ukraine.

On November 28, 2019, the Honorary Title “Honored Worker of Physical Culture and Sports of Ukraine” was awarded (Decree of the President of Ukraine dated 11/28/2019 No. 868/2019, certificate: PZ No. 017988).

On January 30, 2020, in Kyiv, he founded, registered with the Ministry of Justice of Ukraine, and was elected president of the Public Union "National Federation of Combat Horting of Ukraine."

May 8, 2020 - took an active part in the Scientific Internet Conference ORGANIZATION AND MANAGEMENT IN THE SERVICES' SPHERE on the topic "Raising children through physical education". May 8, 2020. Opole, Poland.

On May 25, 2020, Eduard Yeromenko received The Honorary Badge of the All-Ukrainian Association "COUNTRY" "For Assistance to Police Bodies" for representing the International Police Horting Federation, which is awarded for significant long-term and effective assistance to the police bodies of Ukraine in maintaining law and order among the population.

September 16-17, 2021 - took an active part in the VIII All-Ukrainian (with international participation) scientific and practical conference "SCIENTIFIC AND RESEARCH WORK IN THE SYSTEM OF TRAINING OF TEACHERS IN THE NATURAL, TECHNOLOGICAL AND COMPUTER FIELDS" at the scientific and technical research base of the Berdyansk State Pedagogical University in the city of Berdyansk, Zaporizhia region, Ukraine.

November 1-2, 2021 - took an active part in the III International Scientific and Practical Conference "Interaction of Spiritual and Physical Education in the Formation of a Harmoniously Developed Personality" at the scientific and sports base of the Ukrainian Humanitarian Institute in the city of Bucha, Kyiv region, Ukraine.

On December 10, 2021 - Yeromenko, with the topic of the report "Physical education for children", took part in the IX All-Ukrainian Scientific and Practical Online Conference "Physical Education, Sports and Human Health: Experience, Problems, Prospects" (in the Anokhin Readings cycle) at the scientific base of Borys Grinchenko Kyiv University. Duration - 6 hours / 0.2 ECTS credits. Description of the results of participation in the conference: improvement of competencies in the implementation of innovative approaches to physical education of various categories of the population, current trends in sports activities and the introduction of health-saving technologies in the modern scientific space.

As a high-class athlete in the past, a three-time world champion, absolute European champion, Master of Sports of Ukraine of international class, Honored Coach of Ukraine, E. A. Yeromenko sets a personal example for student athletes studying at the Department of Physical Education and Sports and the Department of Horting of the Scientific Research Institute of Special Physical and Combat Training and Rehabilitation of the State Fiscal Service University of Ukraine.

While performing his duties as Deputy Director of the Educational and Scientific Institute of Special Physical and Combat Training and Rehabilitation, Professor of the Department of Horting of the State Fiscal Service University of Ukraine, E. Yeromenko is characterized by purposefulness and perseverance in work and control over the timely completion of the tasks assigned to him. He is proactive, principled and polite. In communication with colleagues, he shows compromise, and with students, teachers, and trainers, he is demanding, ready to provide them with comprehensive assistance in solving problems.

Eduard Yeromenko lived in the city of Irpin, Kyiv region, at the address: Ukraine, Kyiv region, city of Irpin, Sadova street, 86A, apartment 411. I worked as a professor at the specified university at the time of the start of the war, teaching certain disciplines to students. The Russian army began shelling Irpin, Bucha and Gostomel. Bucha was captured and the occupation of Irpin began on 03/03/2022.

09/06/2022 - Arrived at New York JFK Airport.

2/15/2022 received a SSN and work permit from the US Government.

April 17-18, 2025 — Professor Eduard Yeromenko took an active part and performed qualified judging as the Head of the Qualification Jury, professionally made objective decisions in the distribution of prizes and evaluation of the participants of the competition - scientists who came from different countries of the world to participate in the Third International Competition of Scientists-Teachers, which was held by the Association of Educators and Scientists of Ukraine at the research base of the Educational and Scientific Institute of Health and Sports of the Luhansk Taras Shevchenko National University under the leadership of the Ministry of Education and Science of Ukraine during the VII International Scientific and Practical Conference "Modern Trends and Prospects for the Development of High-Quality Training of Future Specialists in Physical Education and Sports in Postgraduate Education".

Along with other work, Eduard Yeromenko is actively working in the field of science.

16. Participation in scientific and practical conferences (2024-2026)

Participation in scientific conferences was carried out as a scientist from the city of Newark, New Jersey, United States of America, representing the US scientific community. Participation is confirmed by certificates of participation in the scientific event.

2026

3. April 21–22, 2026. 8th International Scientific Conference titled: "DIGITAL ECONOMY AND INFORMATION SOCIETY" (Digital Economy and Information Society – 2026). Participation: 15 hours. Academy of Silesia, Poland.

2. March 25, 2026. Passed advanced training under the program of the All-Ukrainian face-to-face distance training "Emotional detox and movement: the path to resilience". The training took place in a distance format. Ministry of Youth and Sports of Ukraine; State Scientific Institution "Institute for Modernization of Educational Content".

1. March 18-19, 2026. Passed advanced training according to the program of the All-Ukrainian educational event for physical education teachers "The Power of Movement: Physical Education of the Present and the Future". The training took place in a distance format. Ministry of Youth and Sports of Ukraine; State Scientific Institution "Institute for Modernization of Educational Content"; Agency for Sustainable Development and Educational Initiatives of Ukraine. TOTAL COURSE HOURS. 15 hours / 0.5 ECTS.

2025

10. November 27–28, 2025. 10th International Scientific-Practical Conference "CONTEMPORARY CHALLENGES IN IMPROVING THE QUALITY OF LIFE IN A GLOBALIZED WORLD". Academy in Opole, Poland. Academic Title: Professor. Location: Newark, New Jersey, USA. Research Topic: Physical Therapy.

9. November 6, 2025. Took part in the International scientific and practical conference "Growing personality in the semantic outlines of independent Ukraine", The duration of the event is — 8 hours. Institute of Educational Problems of the National Academy of Pedagogical Sciences of Ukraine.

8. October 30, 2025. Passed advanced training according to the program of the IV International Scientific and Practical Conference "Applied Value of Physical and Military Training in the Future Profession", which took place within the framework of the Seventeenth International Exhibition "Innovation in Modern Education". Ministry of Youth and Sports of Ukraine; State Scientific Institution "Institute for Modernization of Educational Content". All-Ukrainian Public Association "National and Civic: Identity".

7. September 11–12, 2025. 8th International Scientific Conference titled: "Information and Innovative Technologies in the 21st Century". Topic of scientific research: "Fundamentals of Physical Education". SILESIAN ACADEMY. Rolna 43, 40-555 Katowice, Poland.

6. August 25-29, 2025. Passed advanced training under the program of the All-Ukrainian August School "Educational Drive: Energy for New Achievements" in the direction of "Energy of Movement: Physical Activity and Health". The training took place in full-time and distance format. Ministry of Youth and Sports of Ukraine; State Scientific Institution "Institute for Modernization of Educational Content"; NGO "Agency for Sustainable Development and Educational Initiatives".

5. June 19, 2025. Passed advanced training according to the program of the II All-Ukrainian scientific and practical conference "Problems of establishing Ukrainian national and civic identity in school and student youth". Ministry of Youth and Sports of Ukraine; State Scientific Institution "Institute for Modernization of Educational Content". All-Ukrainian Public Association "National and Civic: Identity".

4. May 15, 2025, Bucha, Kyiv region, Ukraine. III International Scientific and Practical Conference "Interaction of spiritual and physical development in the formed

harmoniously developed characteristics”. Ukrainian Humanitarian Institute; Department of Theory and Methods of Physical Training.

3. April 17-18, 2025 — Professor Eduard Yeromenko, with the topic of the report "Methods of teaching physical therapy in higher education institutions", took part in the VII International Scientific and Practical Conference "Modern Trends and Prospects for the Development of Quality Training of Future Specialists in Physical Education and Sports in the Conditions of Graduate Education", which was held by the MINISTRY OF EDUCATION AND SCIENCE OF UKRAINE in the city of Lubny, Poltava region, Ukraine.

2. April 9-10, 2025. 7th International Scientific Conference titled "DIGITAL ECONOMY AND INFORMATION SOCIETY". Topic: "Physical therapy methods". Academy of Silesia, Poland.

1. March 20-21, 2025 — Professor Eduard Yeromenko participated in the XII International Scientific and Practical Online Conference "INTERACTION OF SPIRITUAL AND PHYSICAL EDUCATION IN THE FORMATION OF A HARMONIOUSLY DEVELOPED PERSONALITY" under the auspices of the Donbass Pedagogical University, Ukraine, with the topic of the report on the direction of medicine "Disease prevention and treatment methods in dentistry".

2024

3. December 12-13, 2024 — Professor Eduard Yeromenko, with the topic of the report "Physical culture of the individual", took part in the All-Ukrainian Scientific and Practical Conference with international participation: "CURRENT ISSUES OF REHABILITATION, SPORTS MEDICINE AND TRAINING OF COACHES AND TEACHERS IN MARTIAL ARTS CONDITIONS" dedicated to the 130th anniversary of the International Olympic Committee and the 25th anniversary of the Private Higher Educational Institution "Ukrainian Humanitarian Institute".

2. September 26-29, 2024. Passed advanced training under the program of the All-Ukrainian face-to-face and distance AUTUMN school "Educational WEEKEND: "Movement to Victory!", "Path to Improvement!", "Success is where YOU are!" The training took place in face-to-face and distance format. Ministry of Youth and Sports of Ukraine; State Scientific Institution "Institute for Modernization of Educational Content".

1. April 17, 2024 — Professor Eduard Yeromenko, with the topic of the scientific report "Methods of raising healthy children", took an active part in the XVIII scientific conference of the FACULTY OF SPORTS GAMES AND MARTIAL ARTS OF THE KHARKIV STATE ACADEMY OF PHYSICAL CULTURE "PROBLEMS AND PROSPECTS OF THE DEVELOPMENT OF SPORTS GAMES AND MARTIAL ARTS IN HIGHER EDUCATIONAL INSTITUTIONS", which was held at the scientific base of the academy in the city of Kharkiv, Ukraine.

17. Scientific works, publications in professional and other publications

You can also view the published books in Professor Eduard Eryomenko's personal digital library: <https://horting.us/node/42296>.

Textbooks and programs with the stamp of the Ministry of Education and Science of Ukraine

2019

1. Yeromenko, E. (2019). *Physical Education Curriculum for General Secondary Education Institutions. Variable Module “Hortling” (Profile Level, Grades 10–11): Teaching and Methodological Manual*. Kyiv, Ukraine: Palyvoda A. V. 200 pp. (Grade “Recommended by the Ministry of Education and Science of Ukraine”, letter of the Ministry of Education and Science of Ukraine dated 06/16/2016 No. 1/11-7996).
2. Yeromenko, E. (2019). *Curriculum of the elective course “Health-Improving Hortling” for Grades 10–11: Teaching and Methodological Manual*. Kyiv, Ukraine: Palyvoda A. V. 300 pp. (Approval for use in general education institutions, letter from the State National Educational Institution “Institute for Modernization of Educational Content” of the Ministry of Education of Ukraine dated 17.01.2017 No. 2.1/12–G–7).
3. Yeromenko, E. (2019). *Formation of healthy lifestyle values among schoolchildren through hortling: Methodological manual*. Kyiv, Ukraine: Palyvoda A. V. 600 pp. (Approval for use in general education institutions, letter from the State National Educational Institution “IMZO” of the Ministry of Education of Ukraine dated 19.01.2017 No. 2.1/12-G-10).

2014

1. Yeromenko, E. (2014). *Theory and Methodology of Horting: Methodological Manual*. (Certificate “Approved for use in general education institutions”, letter of the IITZO of the Ministry of Education and Science of Ukraine dated 20.12.2013 No. 14.1/12-G-672).
2. Yeromenko, E. (2014). *Horting Curriculum for Extracurricular Activities (Sections and Clubs), Grades 1–4*. (Certificate “Approved for use in general education institutions”, letter of the IITZO of the Ministry of Education and Science of Ukraine dated 11.02.2014 No. 14.1/12-G-102).
3. Yeromenko, E. (2014). *Horting Curriculum for Extracurricular Activities (Sections and Clubs), Grades 5–9*. (Certificate “Approved for use in general education institutions”, letter of the IITZO of the Ministry of Education and Science of Ukraine dated 11.02.2014 No. 14.1/12-G-92).
4. Yeromenko, E. (2014). *Horting Curriculum for Extracurricular Activities (Sections and Clubs), Grades 10–11*. (Approval “Approved for use in general education institutions”, letter of the Ministry of Education and Science of Ukraine dated 10.02.2014 No. 14.1/12-G-93).
5. Yeromenko, E. (2014). *Horting – the National Sport of Ukraine: Methodological Manual*. Kyiv, Ukraine: Palyvoda A. V. 1064 pp. (Approval “Approved for use in general education institutions”, letter of the Ministry of Education and Science of Ukraine dated 24.05.2013 No. 14.1/12-G-184).
6. Yeromenko, E. (2014). *Curriculum of the elective course “Horting” (Health Horting) for Grades 10–11*. (Certificate “Approved for use in general education institutions”, letter of the Ministry of Education and Science of Ukraine dated January 17, 2017 No. 2.1/12-G-7).

2012

1. Yeromenko, E. (2012). *Curriculum for Extracurricular Horting Activities for Grades 1–11 in General Secondary Education Institutions: Educational Publication*. Kyiv, Ukraine: Palyvoda A. V. 268 pp. (Stamp “Approved for use in general education institutions”, letter of the Institute of Physical Education and Science of the Ministry of Education and Science of Ukraine dated 25.06.2011 No. 1-4/18-G-462).
2. Yeromenko, E. (2012). *Physical Education Curriculum for Grades 5–9 of General Secondary Education Institutions: Horting*. (Mark "Recommended by the Ministry of Education and Science of Ukraine", letter of the Ministry of Education and Science of Ukraine dated 15.09.2011 No. 1/11-8604).
3. Yeromenko, E. (2012). *Horting Curriculum for Out-of-School Educational Institutions*. Kyiv, Ukraine: Institute of Innovative Technologies and Content of Education, Ministry of Education and Science, Youth and Sports of Ukraine. 78 pp. Mark "Recommended by the Ministry of Education and Science of Ukraine", letter of the Ministry of Education and Science of Ukraine dated 14.12.2012 No. 1/11-19310).

2011

1. Yeromenko, E. (2011). *Physical Education Curriculum for General Secondary Education Institutions, Grades 10–11: Horting (Variable Module)*. Kyiv, Ukraine:

Institute of Innovative Technologies and Content of Education. 15 pp. (Mark "Recommended by the Ministry of Education and Science of Ukraine", letter of the Ministry of Education and Science of Ukraine dated 15.09.2011 No. 1/11-8601).
