

Bassel A. Espinosa, DMD

PROFESSIONAL SUMMARY

Internationally trained dentist and DMD candidate at Rutgers School of Dental Medicine (Class of 2026) with experience in high-volume general dentistry across diverse clinical settings in Cuba, Spain, and the United States. Comfortable with restorative dentistry, orthodontics (fixed and clear aligners), esthetic care, oral surgery, and digital workflows.

Known for a collaborative, team-oriented approach, strong patient communication, and adaptability in fast-paced practices.

Committed to delivering efficient, high-quality care while continuously learning and contributing positively to both patient experience and practice growth.
